# Legal Search

The case laws in Manupatra are divided into fields. Each field contains a specific information (e.g., appellant/respondent name, judges name, equivalent citation, subject, judge name, citation, acts, rules, order etc). Legal search allows you to search on a specific field or a combination of fields.

Search for judgments under an Act or specific section, article, rule, order of an Act. You can run simultaneous search on 2 Acts.

Names of parties: Search on the name of appellant or respondent to get unique results for your query

Subject: cases are classified under 50 subjects of law by our editors. This can be combined with sub-subject (phrase or key words pertaining to the query)

Submit

Select from Single, Division, 3 Judge or 5 and more Judges Bench

Select from 50 subjects of law

Select court name

You may specify judge name for specific query

## Manu Search

This interface gives you the single search box experience and assists you to search for key words, phrases, multiple phrases and more. You can perform Boolean search using Manu Search.

Simply type in your query and the search engine uses back end algorithms to give results based on relevancy. The results can be sorted on Decision Date; Title; Court Name and Relevance.

**Search in Results:** Refine your search by searching only in results.

**Proximity Search:** Near each other search is proximity search. This searches for the query terms within 20 words of each other. The occurrence may be ordered or unordered.

**Auto:** Searches for AND, then OR and if nothing found shows results for AND or OR

**Courts**

Please do not use AND / OR in the query. Select from the dropdown box.

You have searched for: live in relationship

Did you mean: live in relationship

Sort By: Relevance

Check the Synonyms box under the search query box to include results for synonyms relating to your search query.

Did you mean: In case of wrong spellings in your keywords, Manupatra will try and suggest you the best matching word and the suggestion will be presented as a link with corrected spellings.

## Citation Search

Manupatra has a powerful and exhaustive Citation search. While specifying all components of the citation, gets you unique result, inputting partial information of a citation also gets you results, which helps you identify the relevant document.

Click on *Legal Search* to access *Citation Search*.

### Select from Indian Citation, International Citation

**Publisher's drop down menu** listing about 250+ print publications.

**Journal Titles:** Quick link gives the full form of the abbreviations used for various publications, thus helping you zero down on what you are looking for.

**Court Names drop down menu**

**When you select a publication, the system automatically lists the years, Volume No, page nos valid for the publication and available in the Manupatra system.**

**Result of the search**

**No court defined thus result is for across all courts with AIR 2011 Page 5**

Manu Citation	Publisher Citation	Judgment Title
MANU/JH/1576/2012	AIR 2011 Jhar 52 →	Madhu Sudan Mittal vs. Jharkhand State Electricity Board and Ors. (08.10.2012 - JHRHC)
MANU/DE/7342/2011	AIR 2011 Delhi 206 →	Sukhdev Kamrani & Others vs. Union of India (08.08.2011 - DELHC)

MANU/TN/5479/2011	AIR 2011 Mad 261 →	Kadirvel vs. Krishnaswamy and Ors. (06.08.2011 - MADHC)
MANU/TW/4962/2011	AIR 2011 Mad 286 →	Farhath vs. Noorunnissa Begum (27.04.2011 - MADHC)

Select International citation to search for cases from US, UK, Srilanka, Bangladesh and Pakistan.

# Search Results

The screenshot shows the Manupatra search results page for the query 'child custody'. The interface includes a top navigation bar with links like 'My Home', 'Manu Search', 'Legal Search', 'Act Search', 'Results', 'Doc', 'Search History', and 'SIGN OFF'. A search bar at the top contains the query 'child custody' and a 'SEARCH' button. Below the search bar, there are tabs for 'All Documents', 'Search in Results', and 'Near Each Other'. The main results area displays a list of cases, each with a title, date, and court. Annotations point to various features: 'Show/Hide TOC: Hide TOC when viewing results for more space', 'Toggle View: View search results and document in samepane', 'Graphical representation of occurrence of cases' (pointing to a timeline graph), 'Filters allow you to filter results according to court, subject etc, drastically improving your search time and results.' (pointing to the filter sidebar), 'Refine your Search' (pointing to the search bar), 'Select the information you want to view in results display' (pointing to the 'Display in Results' dropdown), 'Search Tips', 'Courts', 'Save search results for future reference' (pointing to the 'Save Search' button), 'Sort search results by Relevance, Date, Title, Court Name.' (pointing to the 'Sort By' dropdown), 'Save doc for current session' (pointing to the 'Add to session list' button), 'Case Overruled', 'Manu Instant', 'Open doc in new window' (pointing to the document icon), 'Interactive Time line Authority Check' (pointing to the timeline graph), and 'Click on title to view the full text of Judgment' (pointing to a case title).

- **Filters** Filters on manupatra give you the ability to quickly focus on the documents that are most important to you. Using filters, you can narrow a search result list by jurisdiction key words, judges name, acts referred etc. When you run a search query, the results are automatically clustered under various heads such as Court, Document Type, Subject, Judge, Ministry, Period etc. making navigation easy for the user.
- You can **Sort** and re-sort results on Relevance, decision date, title of case and court name.
- **Add to Session List** allows to save documents for the current session to view, print or email directly from the session list
- **Display results** provides you with options to choose to view your result with Excerpts and Case Note
- **Timeline Graph** gives a pictorial depiction of the results, giving a quick preview of how the search results are spread across various years .
- **Toggle view** provides for viewing hit list and document in same pane, thus making browsing easier and faster.
- View **document in new window** allows ease in browsing by allowing you to open documents in different windows.
- **Save Search** allows you to save your searches for future reference. You can give the search result a name by which you may recognize the search at a future date.
  - You can **MANAGE** the saved searches by selecting the search you want to run from the list
  - You can delete or rename the selected search
- **Search in results** allows unlimited nesting option. You may narrow down the results by searching only in the results. Check the search in results button, input your query in the search box and click on Refine
- **Authority Check** provides for an interactive timeline which identifies later-citing cases. It makes it easy to pick out the best cases from a large collection of results by displaying cases in an intuitive graphical format. Vertical Axis displays list of Courts and the Horizontal Axis displays year range in which case has been further cited.
  - By rolling and holding mouse over a bubble, one can view extract of the case and no. of times it has been cited in future.
  - Citation Summary shows how many times case has been cited, in total and separately in Supreme Court and High Courts respectively

# Manu Instant

This gives a bird's eye view of editorial enhancements in the judgments. The user can view fields like Case Note (based on which a user may decide to read the full text), cases referred with appropriate context of reference, equivalent citations, citing reference etc.

One can also take a print of the details as available in the Manu Instant window.

Value add appears as a rollover window

To close the Manu Instant click on the cross button appearing on the left side.

To see the Manu Instant take the mouse over the results, a blue colour double arrow icon will appear. Click on the icon to see the value adds instantly.

## Query Definition

Displays the definition of the query words / phrases.  
Take the mouse over the search word appearing as "You have searched for:" A popup will appear with the dictionary meaning.

Take the mouse over the search word appearing with "You have searched for:"

A popup will appear with the dictionary meaning

## Search in Search Results

Search bar to Refine your search now appears on top of your document to enable you to Refine your search while reading a document. You don't need to go back to Results page to search in search results.

## Court Selection

**Court Selection** in Manu Search: You can now choose to search in only Indian Courts or International Courts by making a selection from the dropdown. By default (court filter is unchecked) the site will show results from both Indian and International Courts.

# Manu Cite

A gear like icon  Settings is shown beside every manuid mentioned/linked in a document, which when clicked displays the number of times the judgment has been cited in other judgments. The treatment of the subject case in other cases is also depicted. Manu Cite when clicked from the top bar displays a sorted view of all the manuids mentioned in the selected judgment along with their cited count and treatment in other cases.

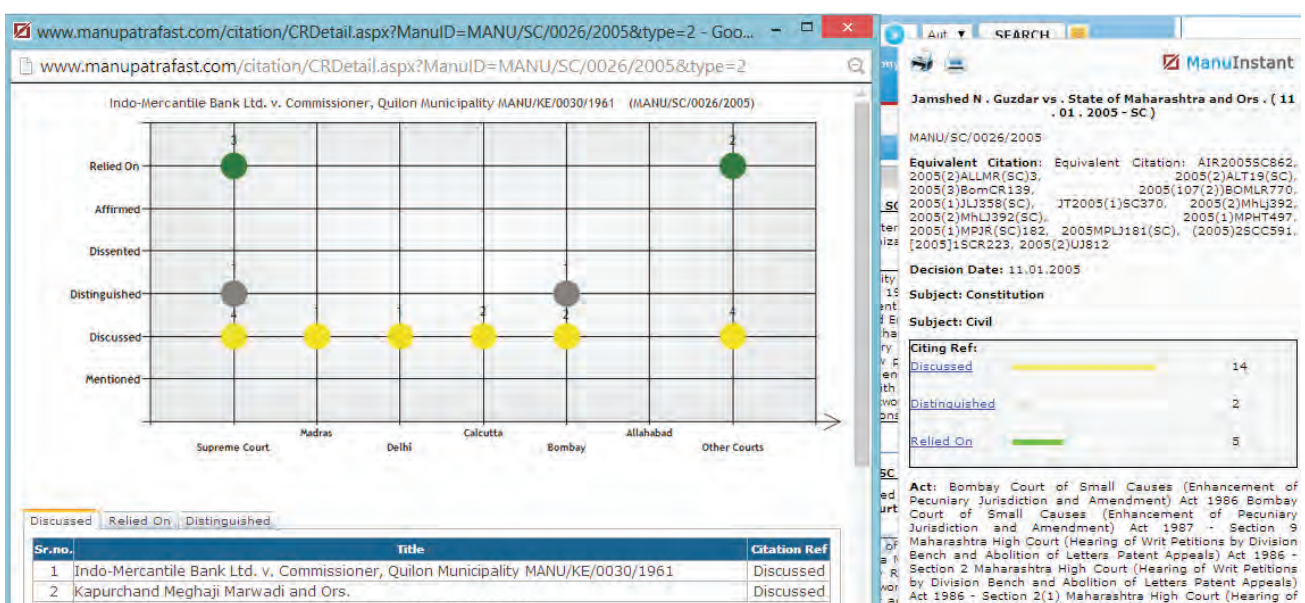

The screenshot shows the Manu Cite interface. At the top, there's a navigation bar with links like 'My Home', 'Manu Search', 'Legal Search', etc. A 'Click on Manu Cite' label points to the 'Manu Cite' link in the top bar. On the left, a popup for 'MANU/SC/0376/2000' shows its treatment in other cases: Discussed (38%), Mentioned (38%), Relied On (34%), Dissented (5%), and Affirmed (5%). The main content area shows the judgment details for 'Arnit Das Vs. State of Bihar'. On the right, the 'Manu Cite' sidebar lists various manuids and their cited counts.

## Citing Reference Graph

**Feature:** This feature will assist the User in knowing as to in what perspective cases mentioned in a particular judgment were treated or considered by the Court delivering judgment.

**How it works:**

- Open a judgment, go to Citing Reference template.
- Click on any of the treatment (e.g. Discussed/Mentioned etc).
- The popup will open up describing about the cases referred in this judgment and treatment given to those cases in Graphical format as well.

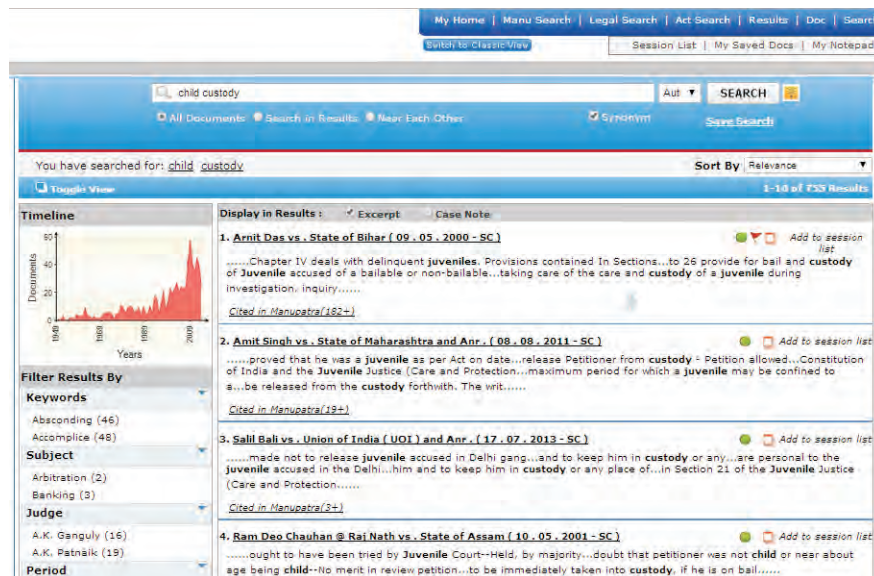

## Timeline

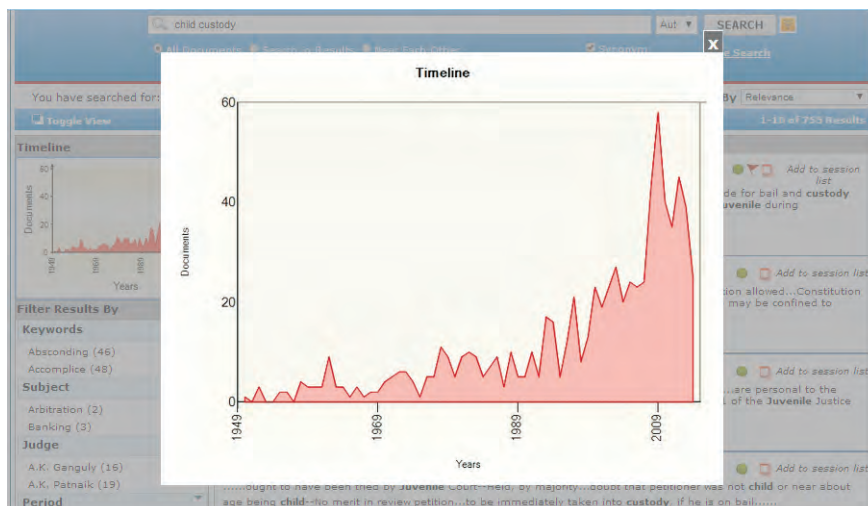

This feature will give user a quick info on number of verdicts passed and as available in Manupatra database with the help of graphical representation. This feature will help the researcher/ user to form a statistical opinion on prevailing prominence of legal issue during a particular year range vis-a-vis verdicts passed by the respective Courts, Tribunals and Commissions, Notifications as covered in Manupatra database.

The above mentioned timeline will appear at the top of search filter column

### How it works:

To see the Timeline Graph in bigger frame click on the graph in smaller frame appearing in the search window.

## Print Replica

- Print Replica is the scanned image of the judgment as appearing in the journal with page numbers.
- Manupatra provides Print Replica of Judgments from over 28 Print Journals.
- We currently have a growing repository of 1.2 lacs print replica online.
- Take a print out of the print replica of the judgment and submit to the courts.

Section 4 -	<a href="#">"May presume"</a>

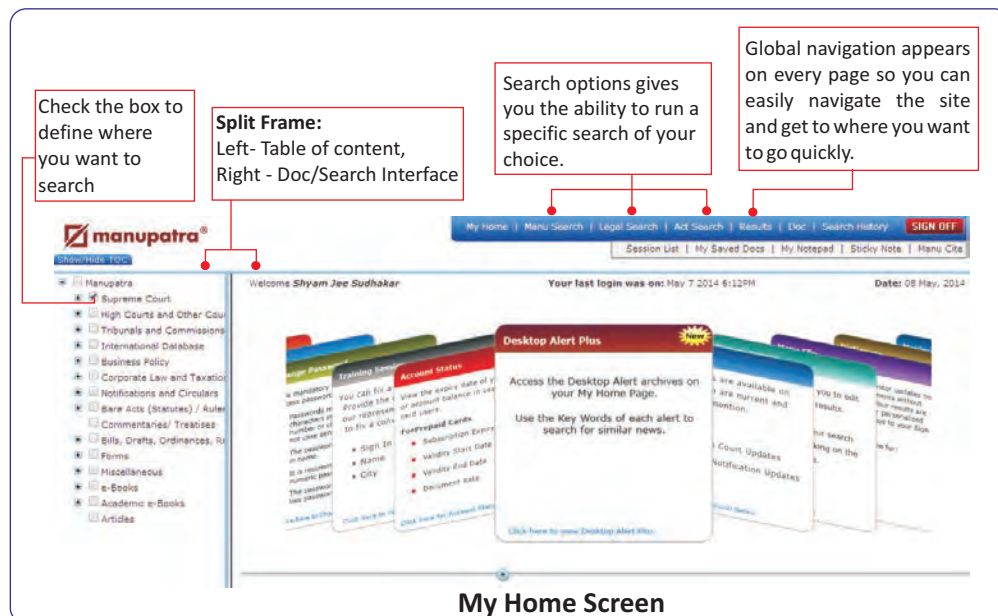

When you read the section of any Act, if commentary is available for the subject act, **Commentary** icon appears. Click on the icon to read the commentary.

When there is a reference of a section of an act, in a judgment, clicking on the section gives you the option of reading the text of the Section of the Act or Commentary.

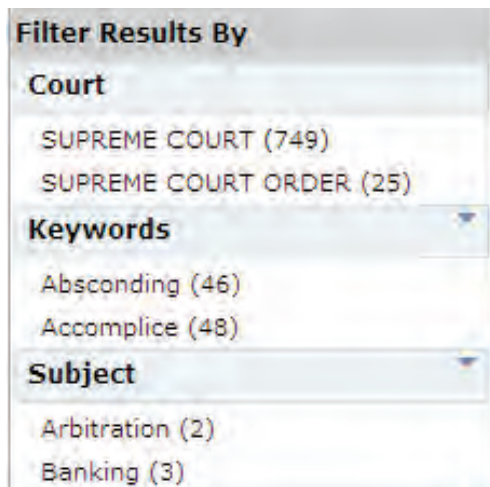

## Navigation

Manupatra database provides Tabs that makes navigation through the site seamless. Combined search, browse and intuitive filters help you narrow your results fast and show related documents. Search box allows you to run a search without having to select a specific source. This improves your ease of use.

- **Split Frame** view allows for easy movement between databases and documents
- **Results** return to the last active result list
- **Doc** return to the last viewed document
- **My Saved Docs** view the documents saved during various sessions. There is a provision to create folders and directly select documents for print and email. You may create personalized folders with option of password protection.
- **Search History** stores the last 20 searches. History displays your searches in reverse-chronological order, with your most recent search at the top of the list with the identifying information about each search appearing in adjacent columns.
- **Flexibility** to search in Selected databases or All databases. By default Manupatra searches in All documents. You may select any permutation combination of databases by checking the box next to database name, to restrict your search to selected databases.

## Filters

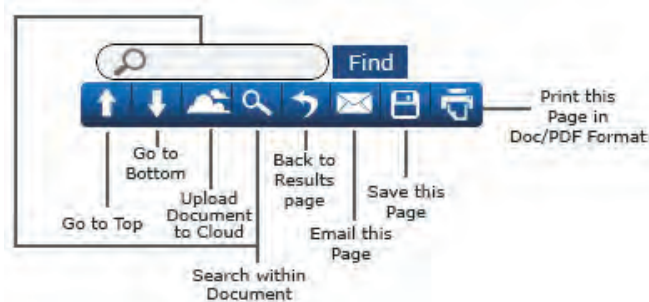

Filters Filters on manupatra give you the ability to quickly focus on the documents that are most important to you. Using filters, you can narrow a search result list by:

- |                                 |                    |
|---------------------------------|--------------------|
| • Jurisdiction/Court wise       | notification etc.] |
| • Key words                     | • Industry type    |
| • Subject classification        | • Ministry         |
| • Judges name                   | • Department       |
| • Period                        | • E-book           |
| • Acts Referred                 | • Publisher        |
| • Document Type [judgment, act, |                    |

When you run a search query, the results are automatically clustered under the above heads making navigation easy for the user.

## Floating Navigation

- Print • Save • E-mail • Go back to results • Find within Document • Go to top • Go to bottom icons
- Appear on right bottom of the page on mouse roll over. Take your cursor to the right bottom of the page for these icons to appear. No need to scroll to top of the page.

## Features:

This feature will assist the user to easily understand his last searches done in graphical format as well so that one can see the difference among those searches.

## How it works:

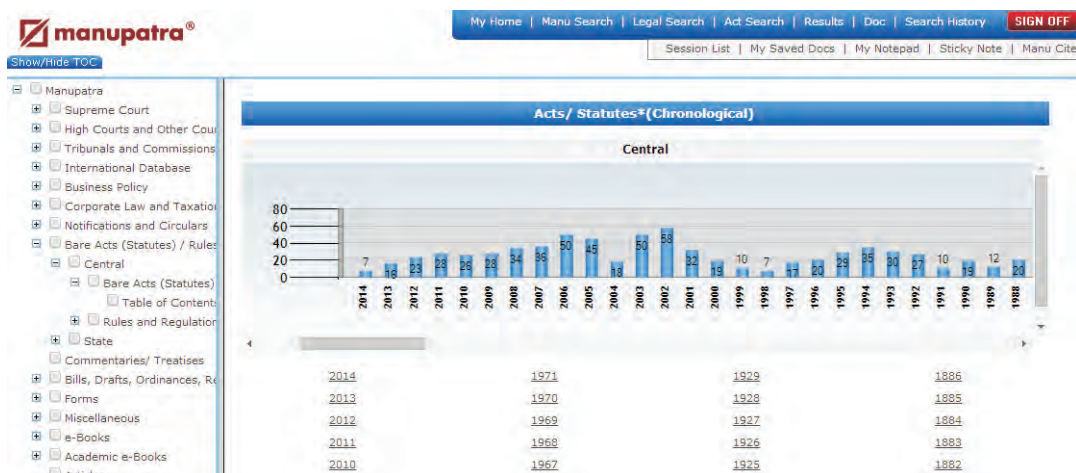

- Open Search history, click on the Map tab appearing on the page. On the left side of the frame you will see, your parent searches.
- Tick on the checkboxes against any of the searches to see the history in graphical format. You can see multiple search graphs by selecting more than one checkbox from the left search history frame.
- To go back to the listing format click on the List tab.

The screenshot shows the Manupatra Search History page. On the left is a sidebar with a tree view of search categories. The main area is divided into two tabs: 'List' and 'Map'. The 'List' tab is active, showing a table of search results. The 'Map' tab is also visible. Annotations with red boxes and arrows point to various features:

- Click on MAP to view pictorial representation in right screen of main searches in right screen**: Points to the 'Map' tab.
- Click on List to view the list of last 20 searches done.**: Points to the 'List' tab.

JUDGMENT

Click to read the section of the Act

Ratio Decidendi:

"Where there may be two or more competent Courts which can entertain a suit consequent upon a part of the cause of action having arisen therein, if the parties to the contract agree to vest jurisdiction in one such Court to try the dispute which might arise as between themselves, such agreement would be valid and binding."

Anand, J.

1. In Re: Vinay Chandra Mishra, MANU/SC/0471/1995 : 1995CriL3994, this Court found the Contemner, an advocate, guilty of committing criminal contempt of Court for having interfered with and "obstructing the course of justice by trying to threaten, overawe and overbear the court by using insulting, disrespectful and threatening language". While awarding punishment, keeping in view the gravity of the contumacious conduct of the contemner, the Court said:

"The facts and circumstances of the present case justify our invoking the power under Article 129 read with Article 142 of the Constitution to award to the contemner a suspended sentence of imprisonment together with suspension of

# Manupatra Search Alert

On [www.manupatra.com](http://www.manupatra.com) you can save your search and use self explanatory nomenclature to name the saved search. NOW you can also set an ALERT to get results for your search query from the new documents which are added on site every day.

*Eg. if you did a search for "gender justice" as a phrase and saved it under the name 'gender justice', you can now set an alert wherein, every time a new document is uploaded with "gender justice" as a phrase you will get an email alert with brief details of the document.*

## How to Use the Search Alert Feature

- Login to [www.manupatra.com](http://www.manupatra.com) site as a subscriber and click on Manage Search on your my Home Page as shown in fig 1 below.

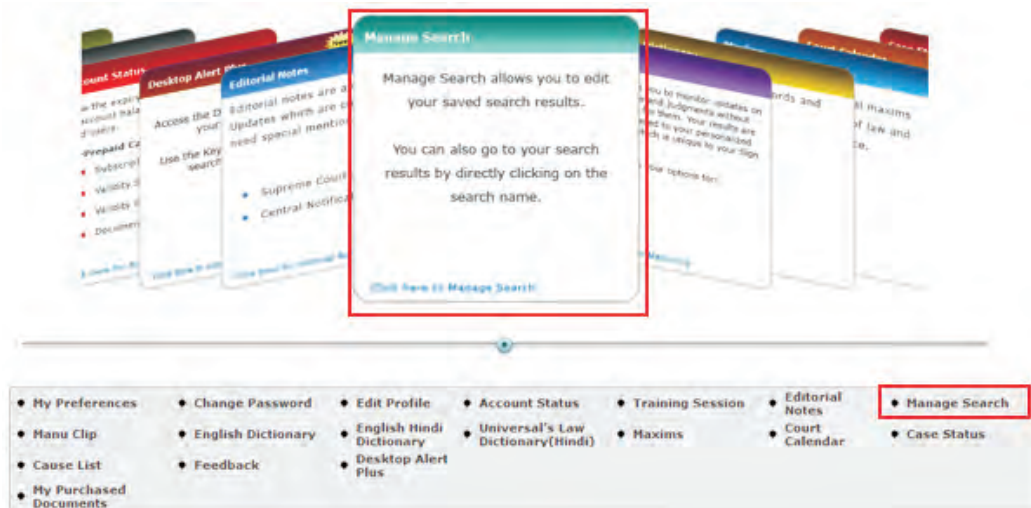

Fig 1

- Click on "**Edit**" link for the Search Name you wish to set an alert for. Select the number of Expiry Days ( this is number of days for which you wish to receive Alerts for the subject search query). Click on **Update** [under Edit option]. Then click on **Enable** to initiate the Alert.

You can Disable the Alert at any point of time by clicking on **Disable** button against the Search Name.

### Edit Saved Searches

S. No.	Search Name	Searched Date	Alert Start Date	Alert Expiry Date	Expiry Days	Edit	Delete	Set Alert
1	ltd edition	18 Nov 2013	18 Nov 2013	23 Nov 2013	1	Update Cancel		Disable
2	murder	21 Sep 2012			1	Edit	Delete	Enable
3	child custody	21 Sep 2012			2	Edit	Delete	Enable
4	alimony	21 Sep 2012			3	Edit	Delete	Enable
5	new	21 Sep 2012			4	Edit	Delete	Enable
6	Test	21 Sep 2012			5	Edit	Delete	Enable

Fig 2

- Once the Alert is successfully Enabled, you will start receiving the Alerts on your registered email id as and when any judgment is uploaded on [www.manupatra.com](http://www.manupatra.com) which contains your search query for which you have set the Alert. The email intimation will contain details of the document which you can access by Signing on to [www.manupatra.com](http://www.manupatra.com).
- Every user can set upto 5 Alerts at any point of time.

# Desktop Alert

Manupatra Desktop Alert service is a complimentary service from Manupatra designed to help you stay connected with snapshots of legal events on all working days.

It is an internet application that resides on your desktop and is managed by the server component of our platform.

## Key features:

- No Registration required.
- This service is complimentary and takes only seconds to install.
- Manupatra will alert you on important caselaws, notifications, Statutes, news, etc., through crisp summaries.
- New Information flows on to your desktop so you don't have to access different sites to keep yourself updated.
- Does not interfere with your work. Desktop Alert remains in your Windows system tray. As soon as an alert is received, it "pops up".
- Zoom In and Zoom Out feature is available.

## Desktop Alert on Chrome is also available.

When you log in and go to your "manuclip page", by default it will show you judgments for the subjects you have selected.

You can view and change your options at any point of time and any number of times.

To Download Log on to: <http://www.manupatra.com/downloads/lnp/>

# Manu Clip
